

# PLOTTING *journal* SUPPLIES

Just like every other plotting method there's no right or wrong way to do it. These are the basic supplies that I keep on hand when I'm working in my journal but are not required. Find what works for you and go for it!

- Journal- I use a 7x10 drawing journal from Canson. The paper is a nice weight and the spiral binding allows room for expansion.
- Glue sticks and double sided tape
- Washi tape
- Stickers
- Scrapbook paper
- Index cards-I use the standard 3x5 as well as a smaller 3x2.5 size.
- Magazines and Catalogues
- Maps
- Cannon Selphy Photo Printer-My model is the CP1300. A color printer also works great.
- Anything that provides a creative spark! I've used candy wrappers, wine labels and bit's of ribbon in my journals. Include anything that can help you dig deeper into your characters identity and backstory.
